

978 TOA PAYOH NORTH SINGAPORE 319001

Toa Payoh North 1 was transformed into a hi-tech industrial cluster. The asset enhancement initiative involved the development of a new eight-storey hi-tech industrial building, a five-storey amenity block comprising of production units, a canteen and a multi-storey car park.

Conveniently located in Toa Payoh and within close proximity to Bishan, this cluster benefits from a wide range of convenient amenities such as food outlets, retail centres and banks. Enjoy excellent connectivity via Braddell MRT Station (NS18) and Toa Payoh Bus Interchange and major expressways such as CTE, KPE and PIE.
